Khrushchev May Become Dictator

Receives Support of Soviet Military Leaders; Molotov, Malenkov Purged

LONDON (UP)—Soviet military leaders threw their support today to Nikita S. Khrushchev whose power approached that of the late Josef Stalin, with his chief political opponents disgraced and stripped of office.

Khrushchev was reported planning a major purge of Stalinists and old line Bolsheviks in the Soviet satellites, and further purges in Russia itself appeared inevitable. American diplomatic experts said Khrushchev may become Russia's new dictator.

Wild rumors swept Warsaw that three top Soviet leaders ousted by Khrushchev had been arrested, but there was no confirmation in Moscow. They were Vyacheslav M. Molotov, Georgi M. Malenkov and Lazar M. Kaganovich, all staunch followers of Stalin.

Arrest Reports Denied

The Polish Communist organ Trybuna Ludu in Warsaw telephoned its Moscow office to check the wild rumors and was told there was nothing to the reports the three were under house arrest. However, it was noted that the new presidium in Moscow was whipping up popular enthusiasm

Actress Judy Tyler, Husband Die in Auto Crash

LARAMIE, Wyo. (UP)—The body of actress Judy Tyler, whose brilliant Broadway, movie and television career ended tragically in an automobile accident Wednesday, will be returned to her parents in Ridgefield, Conn., Saturday for burial.

Singer Elvis Presley, who had just completed the lead role opposite the 24-year-old brown-eyed actress in a new movie, was heart broken when he learned of her death Thursday.

"All of us boys really loved that girl," Presley said at his home in Memphis, Tenn. "She meant a lot to all of us. I don't believe I can stand to see that movie we made together now, just don't believe I can."

Miss Tyler and her husband of only four months, Gregory Lafayette, were killed at 5:50 p. m., on Wednesday when their automobile collided with another just north of Rock River, Wyo., on U. S. 30. They were returning to their New York home for a vacation as Miss Tyler had just completed the movie, "Jailhouse Rock," with Presley in Hollywood.

Miss Tyler, a black-haired beauty, was killed instantly in the grinding head-on collision. Her body was torn in half. Lafayette, 24, television actor from Hopeville Junction, N. Y., died early on Thursday in a Laramie hospital of a broken back and internal injuries.

Illinois Motorists Show Caution; Seven Deaths So Far

By United Press
Illinois motorists cautiously embarked on the Independence Day holiday weekend and seemed on the way to keeping fatalities below pre-holiday estimates.

At least seven persons were killed so far on Illinois highways.

The Chicago Motor Club had estimated 17 persons would die in traffic during the four-day holiday.

Drownings included the death of Ronald Knowles, 8, Chicago, who lost his life when a boat overturned in high waves on Round Lake.

Traffic Deaths Mounting; Plea Made to Drivers

By United Press
Traffic victims died one at a time or two, three and four at a clip in the Fourth of July, and alarmed safety councilors appealed today to drivers to get their travel under control.

Carelessness also took a heavy toll at beaches and in vacation areas. But the spurring traffic fatality lists took most of the attention of the National Safety Council.

A United Press tally at 1:30 p. m. c.d.t. showed 170 dead in holiday traffic 98 drowned, 6 dead in plane crashes and 17 in miscellaneous mishaps for a total of 291.

Ohio had 16 traffic deaths, Pennsylvania 15, Texas 13, Oklahoma 12, New York 10 and California 8. Ned H. Dearborn, president of the National Safety Council issued a warning during the early morning hours that the toll will come near the pre-holiday estimates of 535 persons killed unless the rate slowed. Instead, the rate mounted as reports came in.

"We appeal to the drivers to help traffic enforcement agencies in bringing the toll back under control," said Dearborn. "It is increasing at an alarming rate."

The rate was running ahead of that in the same period of elapsed time in the last previous four-day holiday of the year, New Year's. One of the nation's worst tragedies occurred near Leesville, La. Thursday when six persons were drowned in a chain of disastrous rescue attempts.

Authorities said the six, all Negroes ranging in age from 8 to 20, were fishing when one of the youngsters fell overboard. One by one the others jumped into the water in futile efforts to save their companions.

Issue Permits for 2 Oil Drilling Tests

Permits have been issued at Springfield for two oil well drilling permits in Saline county.

They are: To Roy Powers and Ray Hendricks of Kokomo, Ind., for the Peabody Coal Co. No. 1, NW 1/4, 27-8S-5E (Brushy);

To Breuer and Curran Oil Co., Chicago, for the Ralph W. Bourland No. 1, SE 1/4, 9-8S-7E (Eldorado).

Infant Dies in Ambulance En Route To Premature Center

A graveside service was held at 10 a. m. today for the infant son of Mr. and Mrs. Roy Hughes of Goleconda. Death occurred Thursday morning in the Turner funeral home ambulance while the baby was being taken to the Premature Center in St. Louis Mo. The body was in the care of the Turner funeral home until the service at Ingram Hill churchyard, conducted by the Rev. Earl Vaughn.

The mother of the child is the former Miss Doris Simpson, daughter of the late Mr. and Mrs. Hubert Simpson of Harrisburg.

The mother will be released Saturday from Rosiclare hospital and will be taken to the home of her father-in-law, Henry Hughes of Goleconda.

Two Youths Jailed

Two Eldorado youths, 16 years old, were in the county jail this morning on charges of molesting a 12-year-old girl at the Harrisburg swimming pool Thursday. The two were named in complaints signed by the girl's father in the court of Justice of the Peace O. L. Woods. The boys were arrested at the pool by City Policeman John Dunn.

Sparks Ignite Fireworks Display; Eight Persons Hurt

FOX LAKE, Ill. (UP)—Eight persons were injured Thursday night when wind-blown sparks ignited an entire fireworks display, causing some 5,000 spectators to flee in panic.

It was the second year in a row that fate interfered with the Fourth of July celebration here. Last year, three persons were killed when a train ran into a crowd of persons viewing the American Legion fireworks display from a railroad trestle.

Eldorado C.C. Asks Removal Oil Tanks, Meters

ELDORADO, Ill. — A lively hassle appears to be brewing between the Eldorado city council and Eldorado Chamber of Commerce as the result of a proposal by the C. of C.

At this week's meeting of the Eldorado council it was proposed by the Eldorado C. of C. that parking meters be removed from the streets to "put the downtown retail stores on an equal basis with those in the outlying areas."

At least two council members indicated they were opposed to the idea and a lively discussion followed.

Figures were presented by the C. of C. in an attempt to prove to the council that new revenue sources would take care of the approximately \$7,000 a year the city would lose if the parking meters were removed.

The parking meter proposal is one of three major points in the Chamber of Commerce program to increase retail sales and property values in the downtown area by "making it more attractive, inviting and convenient for shoppers."

System of street lighting has already been approved by the city council and preliminary work is now underway.

Another step involves the expenditure of about \$69,000 in Motor Fuel Tax funds for the resurfacing of Levee and Fourth streets. This seems to have the general approval of all, but will not likely be accomplished for some time.

The council members also have been requested to repeal the ordinance that permits the installation of oil storage tanks inside the city limits. The ordinance was passed July 5, 1954. At present there are 20 storage batteries in the city limits of Eldorado.

A petition requesting the ordinance repeal, bearing 290 Eldorado signatures, was presented the council by Attorney Harry McCabe.

The request is an outgrowth of the electrical storm of two weeks ago when one of the batteries of tanks was hit by lightning and an explosion and frightening fire resulted.

Shock Jars Coastal Cities 300 Miles Away

Bomb is Equal to Or Larger Than Any Fired on Continent

ATOMIC TEST SITE, Nev. (UP)—The United States today set off a monster atomic device equal in size or possibly a little larger than any ever fired on this continent.

The blinding flash illuminated the western sky before dawn. A shock wave like an earthquake jarred California coastal cities 300 miles away and was felt on the Mexican border.

The highly experimental bomb, whose exact yield kept American scientists guessing until the moment of detonation, sent an unbridled shock wave over 2,000 Marines crouched in trenches only 3 1/2 miles from the hellish fireball that brightened the sky for more than 1,500 miles.

It was in the same general range as a previous king-size whopper bomb set off here in 1953 and was a good 3 1/2 times as violent as old-fashioned A-bombs that destroyed two Japanese cities in World War II.

The device was suspended from a helium-filled captive balloon some 1,500 feet above the desert floor of Yucca Flat, 75 miles north-east of Las Vegas.

Near 60 Kiloton Shot
It exploded with a blinding flash more than 500 times brighter than the sun. The flash was visible for hundreds of miles in all directions as a tremendous fireball boiled upward in a clear sky.

Test Director James A. Reeves announced that hasty calculations by the atomic scientists who witnessed the blast indicated "it appeared to be in the same general range as the previous high yield shot."

This meant the bomb's violence was somewhere in the neighborhood of the 60 kiloton shot fired in 1953 on Yucca Flat.

The customary 10-second count down was repeated by the ominous loudspeaker voice of the control point from which the scientists directed the test.

"Ten . . . nine . . . eight . . . seven . . . six . . . five . . . four . . . three . . . two . . . one . . ."

At zero man-made hell broke loose. Fireball Sets Brush Fire
The blinding flash of the detonation turned the pre-dawn darkness into daylight—lighter than any sun could muster.

The fireball which followed the flash was tremendous. It burned at a temperature of nearly one billion degrees centigrade, and at News Nob, 13 miles away, its heat felt for a moment like someone had opened the door of a giant blast furnace.

The intense heat of the fireball, which churned furiously for nearly a full minute, set fire to the brush and yucca trees on the slopes of a small mountain ridge several miles north of ground zero.

The fires still were burning brightly 15 minutes later.

About a minute after the flash the sound of the explosion literally rocked observers clustered on News Nob. It sounded as if someone had fired a giant cannon directly overhead.

No damage was reported at the News Nob area, but the blast was the most violent ever felt at that location by veterans of atomic tests.

Some 2,000 Marines who underwent the blast in trenches nearly 5 1/2 miles from ground zero relayed word back to control point that although there had been some slight caving in of their trenches, no one had been injured.

The Marines reported they had felt very brief but intense heat.

A Sad Commentary

It made sad reading to learn that the memorial in Illinois to the brave citizens of Lidice, Czechoslovakia, who perished in World War II in a burst of Nazi hatred, is suffering from serious neglect.

A little subdivision of Joliet, Ill., took the name of Lidice after the Nazis, retreating for the murder of a key official, wiped out the Czech town's male population, burned shops and homes and imprisoned the women and children.

A monument was erected in the new Lidice, and an "eternal flame" lit to assure the world that "Lidice lives."

Yet today the flame is out, and the monument is surrounded by weeds and trash. Sometimes it serves as a backdrop in baseball games. Recently a Czech refugee who long had known the story of the new Lidice came to pay homage. He stayed to stare in stunned disbelief.

When war passes, most of the violent hatreds it has stirred are quieted once more. But, unhappily, as peace subdues men's uglier passions, so too does it seem

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Steel Price Increase Will Be Followed By Other Increases; Steel Increase Cuts Out Chance Of Tax Cut Next Year; Business Leaders Give Bronx Cheer To Ike's Price Control Warnings.

WASHINGTON. — The increase in the price of steel will not be the only one to help hike the cost of to blunt and blur some of the nobler urges.

living this summer. It will be followed by a chain reaction of price increases, all further decreasing the buying power of the white collar worker, the farmer, the school teacher, the oldest living on a pension, and anyone with a fixed or low income.

Aluminum manufacturers are expected to ask a penny a pound more on Aug. 1, because of a 15-cent-an-hour wage boost. The meat and glass industries will increase prices. The price of men's flannels will go up three cents per pound, ammonia \$8 a ton, and the leading TV manufacturers will try to get \$20 more per set.

There's already been a lot of agitation about inflation. But you ain't seen nothing yet.

NO TAX CUT IN '58
Most important political effect of the increased cost of steel will not be felt until next January. This is the period when politicians will try to carry out that long awaited promise of a cut in taxes.

They won't admit it, but the inside fact is there will be no tax cut.

The reason is quite simple. The increased price of steel, together with other simultaneous spiraling prices, will add \$4 billion to the budget. This just about absorbs the surplus on which both political parties based their promise of a tax cut.

It is no secret that the biggest bill Uncle Sam has to pay is for military hardware. This is the term given battleships, submarines, tanks, armored cars, trucks, and guns. So when the price of steel goes up, the man who feels it most is the uncle who has to pay for this hardware.

There's another reason why there will be no tax cut. In addition to the \$4 billion extra for hardware, another extra billion will be added to the expense of government because of higher interest rates. Uncle Sam will pay that extra billion just to borrow money.

Messrs. Humphrey and Burgess have hiked the interest rate on government bonds to the highest point since the depression, with the result that interest on the national debt is also at an all-time high.

IKE GETS NICKED
Twice President Eisenhower has appealed to business and labor to hold down prices and wages, and each time he has been promptly kicked in the teeth by the big business leaders who did so much to elect him. Here are the kicks:

Kick No. 1 came just before and after Feb. 6 when the President publicly stated: "When I said business and labor must exercise and must discharge their authority in conformity with the needs of the United States, I wasn't merely asking them to be altruistic. Their long term good is involved, and I am asking them merely to act as enlightened Americans."

"Unless this happens, the United States then has to move in more firmly with so-called controls of some kind."

With so-called controls. He did this for the obvious purpose of trying to get business to stop inflation.

Whereupon the man in charge of his business policy cut the ground right out from under his own President.

Kick No. 2 came from another big businessman, James Zellerbach, to whom Ike had given an important diplomatic plum—the ambassadorship to Italy. As Zellerbach took his post, he increased the price of paper sold by his Crown Zellerbach Company. This hit newspapers and magazines all over the nation.

Simultaneously, Crown Zellerbach announced: "The most successful year in the company's 86-year history." Profits went up 134 per cent over the preceding year. Despite this and despite Ike's appeal to stop inflation, his own ambassador brazenly added to inflation.

Kick No. 3 came last week when the giant U. S. Steel company jacked up its prices just one day after the President again appeal ed to keep prices down.

BEHIND THE HORSE LAUGH
There's an interesting reason for the business horse laughs regarding the President's warnings. They figure he doesn't really mean them, that he has no idea of ever getting tough. They base this not only on the Sinclair Weeks' denial but on the well-known Eisenhower policy of "reward your opponents."

For instance, business leaders all knew that Eisenhower did not know about Zellerbach's price increase—except continue him in the choice reward of ambassador to Italy. They also knew that Ben Fairless, chief power behind U. S. Steel for years, had been rewarded by Ike. He was appointed Coordinator of the President's Citizen Advisers on the Mutual Security Program.

For several weeks it was known that U. S. Steel was going to hike prices on July 1. It had been printed in the trade press and was reported by this writer. Obviously the White House knew it. But no heat was applied to Ben Fairless and other steel moguls, most of them heavy contributors to the Eisenhower election campaign. Technically, Ben Fairless is out of the steel corporation, but he still exercises potent influence.

So business leaders, watching the Eisenhower policy of sweetness and light, go blithely on their price-raising way.

Note—In his last press conference, the President reversed his Feb. 6 warning that there might be wage and price controls. He said controls were the way to bring the socialism which Khrushchev predicted for the USA. Many economists say that uncontrolled inflation is a quicker way to bring it. Inflation has already brought socialism to a good part of Europe.

Thinking It Over

By Robert L. Dieffenbacher, D. D. (Written for NEA Service)

Friendship has been misused so much by human beings that distrust or hesitancy to help has become the order of the day. When one is in need of help, he finds his friends hiding behind all sorts of excuses and barriers. Nor is it entirely fair to blame our friends for not wanting to help us. So many folks have taken advantage of friendship that honest, sincere people must suffer because of those who have broken faith.

Jesus Himself was betrayed by Judas who was one of His own disciples. Even Peter hesitated to admit his association with the Master during His trial. We do not know what the other ten did, but no one stood by His side when he most needed friendship.

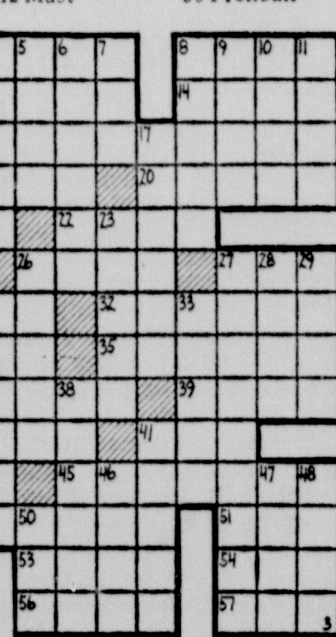

Two thousand years later we are still aloof from friendship if it involves a possible cost of money or a loss of prestige. We all want proof of high reward before we are willing to go the full way with Jesus or with our fellow men.

MAN OF THE WEEK In Carrier Mills

By BILL MELTON

Only 23 years of age and a veteran of almost 14 years in his favorite occupation—that is the record of Ron Arnold.

Back in 1943, when Ron was 11 years old his father, the late Sig Arnold, purchased a service station in the Carrier Mills business section and Ron immediately became a part of the business.

When asked how much time he spent at the station as a boy the reply was "every minute I wasn't in school."

Ron gets his love for the service station business from his father. In 1923 Sig Arnold went to work in a Carrier Mills station for Walter Gates and although he quit at various times he always returned and in 1943 purchased his own station, which he operated until the time of his death some eight years later.

Following his father's death Ron continued to operate the station, but in 1954 had the opportunity to become a salesman for a supply company and sold the station in the late summer of 1954.

But in September of 1955 Ron was back in the service station business and plans to continue.

"It's the life for me," he declares. At present he is a distributor of Martin products, but retail and wholesale, operating a station in Carrier Mills and distributing in a 30 mile radius of his home town, having parts of Gallatin, Pope, Franklin, Hardin and Saline counties as his territory.

Ron has two other outstanding

Funeral Services Held Tuesday for Silas Vaughn, 90

Funeral services were conducted Tuesday at 2 p. m. at the First Baptist church in Creal Springs for Silas Vaughn who died on June 25, at 6:30 p. m., in the Creal Springs Nursing home. His death occurred only 10 days after his 90th birthday. Services were conducted by the Rev. John C. Corbett, pastor of the Second Baptist church in Marion.

Interment was in the Salem cemetery, four miles south of Creal Springs.

He was preceded in death by his wife, Mary Susan Vaughn, who died Feb. 7, 1945. He is survived by three sons, Frank of Mount Pleasant, Iowa, Wendall of Flora and Claude of Marion; 11 grand children and eight great-grandchildren.

Mr. Vaughn was born near Tunnel Hill on June 15, 1867, and had lived in that vicinity and Creal Springs most of his life.

interests—the Carrier Mills fire department and Masonic work.

He has been a member of the Carrier Mills volunteer fire department since 1950.

Again following in the foot steps of his father, Ron is active in the Masonic lodge. He is a member of the Carrier Mills Masonic lodge, the Mississippi Valley Consistory, Ainal Temple Shrine club and the Egyptian Shrine club of Harrisburg.

Ron is a graduate of the Carrier Mills grade school and was a member of the 1950 graduating class of the Carrier Mills Community high school.

He lives with his mother in Carrier Mills.

Ron knew what he wanted to do at an early age—he actively engaged in the service station business—and more than half of his 25 years have been spent at the work. And he plans to spend many, many more years doing the same thing.

WILDLIFE IN CARRIER MILLS

One morning earlier this week Tom Martin, who lives on Railroad street, was awakened by the continued loud barking of his dog.

Wondering what was disturbing the dog Mr. Martin got out of bed and walked to the back door.

Rubbing his eyes in wonderment he knew why the dog was so upset.

There was a nearly full grown deer wandering around in the Martin back yard.

The deer, as surprised as Mr. Martin, bounded away.

Work to Begin Soon on Control Of Mosquitoes

Mayor Freeman O'Keefe has received word from representatives of the Illinois Department of Public Health that action will be taken soon to alleviate the mosquito problem in the Carrier Mills area.

Wednesday morning Tony Favreau, Illinois Department of Public Health representative, with offices in Carbondale, and a representative of a chemical company surveyed the area by airplane and later reported to Mayor O'Keefe that work on the mosquito program would begin within a few days.

Last year the Carrier Mills Stonefort area was invaded by mosquitoes in such large numbers that they were a threat to the health of both humans and animals in the area, but it was thought the pests were brought on by the extreme dry conditions.

This spring, a very wet one, the mosquitoes returned. It has been so bad that farmers found it next to impossible to work in the fields and livestock were covered with the insects.

Mayor O'Keefe and other members of the Carrier Mills village board appealed to authorities in Springfield for help.

As a result of their appeal for assistance a bill was introduced in the House of Representatives by Representatives Kerr, McCormick and Powell that appropriated the sum of \$10,000, or as much of that amount as necessary, to be used by the Department of Public Health for the destruction and control of the mosquitoes in the area. The bill was handled in the Senate by Senator Jones.

The area will be sprayed both from the air and from the ground, health department representatives declare, with the work to be in full operation within a few days.

PLAY BALL—More than 70 boys are actively engaged in a summer recreation program at Carrier Mills that includes three baseball games each of four days a week. Games are played on Monday, Tuesday, Thursday and Friday of each week—with competition in three age groups, the Midgets, Minors and Majors. Wednesday is reserved for the girls and 15 to 20 participate in badminton and other games. One of the Midget teams was getting ready for action and receiving some last minute instructions from Supervisor Willis when the picture was made. High school coach "Kay" Willis and grade school coach Ron Culbreth are co-supervisors of the program. (Daily Register Staff Photo)

Letter States Phone Co. Studies Service Problem

A letter to Mayor Freeman O'Keefe from the Illinois Commerce Commission, relative to a complaint made by members of the Carrier Mills Lions club regarding "poor telephone service between Harrisburg and Carrier Mills," states the telephone company is giving the matter immediate attention.

The letter reviews the fact that the company is experiencing a large turn-over in operators at the Harrisburg exchange due to the conversion of the exchange to dial operation within the next few months and this is given as a contributing factor to the slowing up of handling calls between Harrisburg and Carrier Mills.

(Editor's Note: It is understood that, since the dial system will eliminate all except toll operators, women seeking a business career hesitate to train for a temporary job.)

The letter further states that after the conversion to dial is completed an additional free service trunk and additional toll circuits will be made available.

The letter, signed by R. B. Thomas, Chief Engineer, Illinois Commerce Commission, also states, "If you will bear with the company until the Harrisburg exchange is converted to dial operation we are of the opinion that your service will be greatly improved."

MISS JEAN MORSE, DALE MALONE WED
Miss Jean Morse, daughter of the Rev. and Mrs. Claude Morse, Crab Orchard, and Dale Malone, son of Mr. and Mrs. Kenneth Malone, Galatia, were united in the holy bonds of matrimony Friday evening at 8 o'clock in the Dillingham Methodist church near Galatia.

The church was beautiful for the scene of a candlelight, double ring ceremony, performed by the Rev. Vernell Clark of Crab Orchard, before an altar decorated with candelabra and vases of white gladioli.

The bride was given in marriage by her father, the Rev. Claude Morse, and wore a light blue dress with a white tulle. She also carried a white Bible.

Mrs. Katherine Gill, pianist, an aunt of the bridegroom, played "Melody of Love," "I Love You Truly," and "Here Comes the Bride."

The bride chose Miss Cleus Dawe for matron of honor. She wore a light blue dress with a pink corsage and white accessories.

The bridegroom had for best man his brother-in-law, Dean Morse, a twin brother of the bride.

Eddie Malone and David Whelan, close friends of both bride and groom, were ushers.

Mrs. Ruby Morse, the bride's mother, chose a light blue dress with beige accessories for her daughter's wedding. Mrs. Blanche Malone, mother of the bridegroom, wore a navy blue dress with white accessories. Each wore white carnation corsages.

The bride is a graduate of the Crab Orchard high school, class of 1955, and is employed as cashier at Shreve's Market in Marion.

The bridegroom is a graduate of the Galatia high school, class of 1954, and is employed with E. B. Blankenship in Marion.

Safety Clinic for Oil Drilling Personnel
At Carni on July 10

Afternoon safety clinics for oil field drilling personnel will be held Wednesday, July 10, at the V. F. W. building in Carni, at 10 a. m. and Thursday, July 11 at the Elks club in Olney.

Don Slape, Olney, chairman of the sponsoring Tri-State chapter of the American Association of Oilwell Drilling Contractors, issued an invitation to all crewmen in the area to attend the meetings.

Identical three-hour programs have been arranged for both clinics, beginning with luncheon at 12 noon.

May 9, 1890 was the birthday of abolitionist John Brown; Torrington, Conn., the place.

THE H-34 HELICOPTER, piloted by Lt. Bobbie Walls, is shown recently transporting its cargo back to Fort Huachuca Libby Army Air field in Arizona after the 1-19 observation plane had flipped over while trying to land at Tucson, Ariz., Municipal airport. Lt. Walls and his family are on their way to Stuttgart, Germany, after visiting this week with his parents, Mr. and Mrs. Ora Walls, RFD 4, Harrisburg.

Lt. Bobbie Walls Pilots Helicopter Carrying Fuselage of Damaged Plane

Lt. Bobbie Walls, Mrs. Walls, their daughter, Sabrina Karen, who will be one year old on August 8, and a green station wagon, are on their way to Stuttgart, Germany. This week they are visiting Mr. and Mrs. Ora Walls, RFD 4, Harrisburg. Lt. Walls' parents.

Following the holiday week end, they will leave for Hagerstown, Maryland, where Mrs. Walls will visit with her parents, Mr. and Mrs. Sibert Rogers, until she can join Lt. Walls in about six weeks. Lt. Walls will leave to take up his assignment in Germany immediately. The station wagon will be turned over to the army on July 25, for shipment.

Lt. Walls' family came to his parents home from Fort Huachuca Libby Army Air field in Arizona where there was a most interesting story recently, in the Huachuca Scout, published by the Tombstone Epitaph. It follows:

Recently a helicopter from the USAEPG carted the fuselage of an L-19 observation plane home from Tucson's Municipal airport, a distance of almost 100 miles.

The accident to the L-19, which flipped over seconds after touching down from a routine flight, was

members held their breath, but the sling held.

The helicopter delivered its cargo on the runway of Libby field, circled the field and landed. This is one of the exciting assignments that the personnel of Fort Huachuca are frequently called upon to carry out. There is a large fleet of all types of helicopters maintained at the Fort, which is connected with reconnaissance and U. S. Signal corps activities.

2 Billion Slashed From Gov't Debt

WASHINGTON (UP)—The Treasury reported today that the government slashed more than two billion dollars from the public debt during the fiscal year.

When the fiscal year closed June 30, the debt averaged \$1,580.72 for each man, woman and child in the country. This was \$41.56 less than a year ago.

The debt stood at \$270,527,151, 896.43, compared with \$272,750, 813.649.32 at the same time last year. The dollar reduction was \$2,223,641,752.89.

The Treasury said a final accounting will not be made until about July 18.

Sentenced For Writing Bad Checks

Chester Gollhur, 43, of Eldorado has been sentenced to serve four months at the Illinois State Farm, Vandalia, on entering pleas of guilty to writing two bad checks. He also is to make restitution and pay \$38.30 court costs.

The sentence was handed out Tuesday morning by Gallatin County Judge Joe Hale after hearing Leo Drone and Bowen Walker, Shawneetown service station operators, give testimony concerning the incidents that occurred on June 21 and 22 respectively.

Drone stated that Gollhur gave him a \$7.00 check in payment for a used tire. He immediately called the First State Bank of Eldorado, on which the check was drawn, and learned that the writer did not have funds on deposit there.

Walker revealed that on June 22 he accepted a \$25 check from Gollhur for payment of a used tire and tube amounting to \$15 and gave him the difference in cash. He later learned that there were no funds on deposit by Gollhur at the C. P. Burnett & Sons bank in Eldorado on which the check was drawn.

Gollhur told the court that he had served a year at Menard in 1954 on a grand larceny charge. It was later learned that he is still on parole.

WESTBURY, N. Y. (UP)—Mrs. Beatrice Weinberger, whose infant son, Peter, was kidnaped and left to die on a roadside one year ago, is expecting another child.
Mrs. Weinberger and her husband, Morris, have one other child, Lewis, 3.
Angelo LaMarca, confessed kidnaper of one-month old Peter, is scheduled to die in the electric chair at Sing Sing prison the week of August 19.

The time of William P. Odom's flight 19.645 miles around the world in 1947 was 75 hours, 5 minutes, 11 seconds.

June Sets New Record For Gallatin County Weddings

A new high in the number of marriage licenses issued in any one month in Gallatin county was set in June when 141 couples obtained their licenses at the county clerk's office.
Couples, young and old, came from near and afar to the Gallatin County seat and were accommodated night nad day, and over the week ends by County Clerk Mrs. Mrs. Yules Wren.

The bulk of the matrimonial minded were from Kentucky, Indiana and Illinois with others giving addresses in the states of Ohio, Michigan, West Virginia, Wisconsin, Connecticut, Tennessee and Oklahoma.

Waiting periods and other more strict requirements probably occasioned most of the couples from other states of seek licenses in this state. However, it still remains somewhat a mystery as to why so many from Illinois, many from Chicago, pick Gallatin County for their exchange of marriage

vows. Some, it has been learned, do so to take advantage of the 24-hour service rendered by the clerk's office and those who perform the ceremonies.

Some 2,600,000 tons of coal a year will be required by a new two-unit, 900,000 KW generating station of the Indiana Michigan Electric Co. The first unit now is being constructed southwest of Terre Haute, Ind. A new Ayrshire Collieries Corp. bituminous mine will be the source of the coal.

Twisters, Thunderstorms Hit Six States; Brush Fire in California

By United Press
Tornadoes and thundershowers stormed across six states in a violent Fourth of July weather outburst, killing at least one person and injuring 25 others.

A blazing California heat wave touched off the Los Angeles area's worst brush fire of the season, destroying some 15 homes in the Deerlake Park highlands region.

Twisters and other wild winds killed one youth in Minnesota, and injured 10 persons in Michigan, 8 in Indiana, 4 in Wisconsin and 3 in Iowa.

In addition, a tornado at Bryan, Ohio, caused damages estimated at \$500,000, but no injuries.

The Michigan twister ripped the Saxony subdivision east of Brighton, injuring four members of one family when it crumpled their home. Another tornado hit near Rogers City, Mich., causing some farm damage.

Claims One Victim

At least two homes were destroyed and more than 10 houses were damaged in the Michigan storms. Utility lines were reported down in sections of Livingston and Oakland counties.

Another tornado swept the small community of Brill, Wis., churning a one-half mile path of destruction. At least four persons were injured and seven homes in the village were damaged.

The only victim of the storms that raked the Midwest was Thomas Klein, 14, who drowned when squalls overturned a fishing boat on Island Lake near Duluth, Minn.

The tornado weather began in Iowa during the morning when a

She plans to leave next week for Orlando, Fla., where she will reside in future. Visiting Mrs. Land this week are her son, Kenneth Dixon and wife and little daughter, Debbie, Birmingham, Mich., and during the past week another son, Bronough Dixon and wife and son, Johnny, from Orlando, visited Mrs. Land.

twister roared into the community of Lake City, injuring one woman seriously, destroying four homes and damaging 20 others.

At Bryan, Ohio, a twister deroofed six stores, destroyed cars, uprooted trees and downed utility lines.

Police Chief Richard Bloer estimated damage at \$500,000.

Score Flee Fires

A tornado also caused an estimated \$500,000 damage when it struck near Bengal and Marietta, Ind., about 35 miles south of Indianapolis.

Violent thunderstorms accompanied by high winds also caused extensive damage in Franklin, Edinburgh and Columbus, Ind. At least eight persons were injured in Franklin.

In the Far West, 100 - degree temperatures baked southern California, Texas and Oklahoma.

Scores of persons were forced to flee the Los Angeles area brush fire which authorities said already has blackened 4500 acres in the Santa Susana Pass area.

Firefighters were hampered by the outbreak of other grass fires in the county many of them believed caused by Fourth of July fireworks.

Woman Almost Scalped With Hair In Boat Propeller

CROCKETT, Calif. (UP)—A San Francisco woman was literally scalped Thursday when her long black hair became entangled in the propeller of a power boat.

The accident took place Thursday as Henry Galbraith was backing his 30-foot boat, Scapia, out of Dorello's Yacht Harbor.

His wife, Lucetta, 51, loosened some floorboards to check the bilge pumps. Her hair, which reached to her hips, caught in the whirling propeller shaft.

Galbraith shut off the motor, but by then it had pulled away much of her hair. It took him 10 minutes to extricate her.

He rushed her to Brookside Hospital in San Pablo where she underwent delicate surgery to repair the injury. Doctors said she would recover.

Firecrackers Explode in Auto; Youth is Hurt

CHEROKEE, Okla. (UP)—An arsenal of 144 packages of fire crackers, some of them nearly two inches long, exploded in an automobile Thursday seriously injuring a 17-year-old boy. The blast was heard for miles.

The youth, Marvin James Loudemilk, suffered burns over 65 per cent of his body and went into a severe state of shock.

A second boy, Leon Mahan, 17, jumped from the car just before the explosion and wasn't hurt.

Sheriff Aubrey Tatro said the combined explosion of the hundreds of firecrackers had "the force of dynamite."

The automobile was demolished. One car door blew through the window of a nearby church and all of the windows were blasted from one side of the church.

The hood was found a block away and parts of windshield in yards half a block away. Part of the car's trunk hit the top of a three-story apartment.

A Cherokee resident, Mrs. Alice Woodmansee, 90, was knocked out of her chair on the front porch of her home but was not hurt.

Tatro theorized the boys were lighting firecrackers and throwing them from the car but one either fell or was blown back inside.

Stratton Signs 10 Bills Granting Pay Increases

SPRINGFIELD, Ill. (UP)—Gov. William G. Stratton today signed into law 10 pay raise bills for top appointive state officials, but skipped over—temporarily—a bill to boost the salary of the governor and other elected officials.

Stratton signed bills boosting the state adjutant general from \$10,000 to \$12,000; the chairman of the Youth Commission from \$10,000 to \$13,000; and its members from \$8,000 to \$10,000; nine examining officers from \$3,000 to \$3,600; the civil defense director from \$10,000 to \$12,000; the superintendent of industrial planning and development from \$8,000 to \$10,000; the secretary of the legislative reference bureau from \$11,000 to \$13,000.

Other pay raises signed into law were the Commerce Commission members from \$12,000 to \$15,000; chairman of the Civil Service Commission to \$5,000 a year; veterans administrator from \$8,000 to \$10,000; and the chairman of the Liquor Control Commission from \$7,000 to \$8,000 with commission members going up from \$6,000 to \$7,000.

The bills still awaiting action by the governor would boost the salary for that office from \$25,000 to \$30,000 with other elected state officials going up from \$16,000 to \$20,000. The pay raises could not take effect during the present terms of the men in office.

Also still awaiting action by the governor is a bill to raise all department directors from \$12,000 to \$15,000 and all assistant directors from \$8,000 to \$12,000.

Mother Dies On Delivery Table, Revived, Gives Birth

CHIPLEY, Fla. (UP)—A 25-year-old Negro woman, died on the delivery table, was revived three minutes later by two Chipley doctors and then gave birth to a 6-pound, 12-ounce boy, it was reported here today.

Drs. Hugh Thompson and Walter Sheehee of the Washington County Hospital said Mrs. Nellie Atkins, who has one other child, suffered a heart attack while in the delivery room late Tuesday night and was pronounced dead.

Thompson said he and Sheehee immediately opened her chest and massaged her heart. Three minutes later she was revived.

The doctors then delivered the boy by Caesarian section.

The doctors said that Mrs. Atkins breathing had stopped and there was no heart beat when she got into the delivery room. They said she had been in labor for two days and had been unable to deliver the child normally.

The hospital reported Thursday night that both mother and child were "doing fine."

To Ask Federal Loans for 50-County Area

SPRINGFIELD, Ill. (UP)—Gov. William G. Stratton's office today reported an emergency federal loan program would be requested for a 50-county southern Illinois area hard hit by heavy rains and floods.

The governor, an aide reported, planned to send a request to Agriculture Secretary Ezra T. Benson to authorize the loan program under which the Farmers Home Administration could make emergency low interest rates.

The emergency loans, at 3 per cent interest, would be made for 12 to 18 months to help hard hit farmers to replant flood damaged fields and tide them over until next year's crop comes in.

A Champaign, George H. Reuss, Illinois director of the Farmers Home Administration also reported his office was seeking Benson's authorization to make the emergency loans.

The loan program, he said, would be effective for the 50-county area in southern Illinois south of and including Jersey, Greene, Scott, Morgan, Sangamon, Menard, Christian, Shelby, Moultrie, Douglas and Edgar counties.

If the loan program is approved, Reuss said, farmers would be permitted to obtain the low interest rate loans if floods or heavy rains had damaged their crops, and if they could not obtain necessary credit from "normal" credit sources.

The Illinois Agriculture Assn. and other farm organizations have urged both Stratton and Reuss to seek authorization for the federal loan program.

J. N. "Jake" Elder, 58, died at his home in Cave-in-Rock at 8 p. m. Thursday. The body is in the care of the Rose funeral home in Cave-in-Rock and funeral plans are incomplete.

Mr. Elder has relatives in the Harrisburg and Eldorado communities.

Honeymooning Couple Die in Plane Crash
BENNINGTON, Vt. (UP)—The bodies of a honeymooning couple were found Thursday night in the wreckage of their light plane on a rugged side of Glastenbury Mountain near here.

Mark La Rue, 24, of Hudson Falls, N. Y., and his bride of 13 days crashed Sunday night while returning from a Nantucket, Mass., honeymoon.

True Spiritual Revival Needed, Graham Says

NEW YORK (UP)—Billy Graham said solemnly Thursday night that the need for a "true spiritual revival" in America was so urgent that he would be willing to give his life for such a cause.

The 38-year-old evangelist, in what was probably the most emotional sermon he has preached during his New York crusade, said a great cloud of "moral deterioration" had descended upon America.

"I'm tired, weary and worn," said Graham, who has lost more than 12 pounds since his crusade began May 15. "The pressures of this crusade have been unbelievably difficult. But I'm willing to give my life, ready to die in New York to see a true spiritual revival in New York and America."

Graham's pledge, which came at the end of a sermon on patriotism and religion, seemed to affect his audience profoundly. The service took on the aspects of an old-time revival meeting.

In his sermon, Graham said that America was right in fearing Russia and the H-bomb "in the hands of a psychopath and madman like Khrushchev."

"But it's our own moral deterioration we should be more worried about," Graham said. "Honesty and truthfulness have been thrown out the window in America. The nation is on a mad whirl of pleasure-seeking, licentiousness, amusement-chasing, cheating and alcoholism."

"Lying is the accepted rule in business today. There are too many men in Congress who care naught for the welfare of the nation but only for their personal popularity."

"Our people have become obsessed with sex. You must have sex even to sell toothpaste. America is very much like Rome in its last days, when the decay was setting in."

Mother, 82, and Her Daughter, 61, Marry
In Double Ceremony

SALEM, Ill. (UP)—An 81-year-old mother and her 61-year-old daughter were married Tuesday in a double wedding ceremony here by Justice of the Peace Glen Atkinson.

The newlyweds were Martha Jane Walker and William Haley, both 82, and Clara Mayfield, 61, and Walter Lowry, 63. All four persons live in Mount Vernon.

They told Atkinson they were planning a joint honeymoon trip, but didn't say where they were going.

Marine Sergeant Killed, Another Hurt In Mishaps in Japan

TOKYO (UP)—One U. S. Marine sergeant was killed and another seriously injured in separate accidents involving motorcycles this week, it was announced today.

Authorities at Oppama Naval Air Station said Marine Sgt. Elce Henderson, son of Mrs. Estella Henderson, St. Louis, Mo., died Wednesday morning at Yokosuka Naval Hospital. Henderson, on leave at the time of the accident, was injured fatally Tuesday when his motorcycle collided head-on with a truck.

Witnesses said the Marine sergeant apparently swerved his vehicle to avoid hitting some pedestrians.

Marine Sgt. Ernest C. Pugh Jr., Barstow, Calif., suffered a brain concussion when his motorcycle collided with a taxicab near Iwakuni Naval Air Station.

Naval authorities described Pugh's condition as "serious."

Musial Fourth in All-Time List of Extra-Base Hits

CHICAGO (AP) — Stan Musial has passed another milestone on the road to baseball's Hall of Fame — he now stands fourth in the all-time list of extra-base hits.

Only Ty Cobb, Babe Ruth and Lou Gehrig have more extra-base blows to their credit than the Cardinals' "Stan the Man." Musial passed Tris Speaker on the list Thursday when he hit a home run in the first game of a twin bill against the Cubs, the 1,133rd extra base hit of his career.

Reds, Yanks Hold Leads in Majors; Cardinals Fumble Chance to Take First Place

By United Press

The Cincinnati Redlegs vs. the New York Yankees in the 1957 World Series.

That's the prediction today from baseball's most famous "crystal ball" — the old axiom that the teams leading the major leagues on the Fourth of July will win the pennants. And the whammy has been getting stronger in recent years.

Cincinnati clung to the top rung in the NL on the holiday despite a 10-7 slugfest loss to Milwaukee. The Cards fumbled a chance to take first place at the milestone by losing the first game of a twin bill to Chicago, 7-6, before winning, 4-3. Brooklyn also split, losing to Pittsburgh 5-1 before winning 8-2, but Philadelphia swept the Giants, 2-1 and 6-2.

The Yankees protected their AL margin by winning, 4-1, after losing, 3-2. The White Sox blew a 5-4 decision to Kansas City before winning, 8-3. Cleveland downed Detroit, 3-1, but then lost, 4-3. In a single game, Baltimore beat Washington, 3-2, in 11 innings. Aaron Hits No. 26

The Braves had 14 hits and the Redlegs 17 in a single game. Hank Aaron slammed his 26th homer, the majors' tops, plus two doubles and Ed Mathews hit his 17th, while George Crowe had five straight hits for the Reds, including two homers, to drive in six runs.

Don Larsen's five-hitter, marred only by Mickey Vernon's homer, gave the Yankees their second-game win — the second straight complete-game win for the "perfect game" hero who got off to a sour start this year. Vernon hit another homer in the first game — a pinch-hit, two-out, two-run job in the ninth inning off Bob Grim

to snatch victory from defeat. The A's beat the White Sox in the pre-lunch half of their morning-afternoon twin bill by rallying for five runs in the last of the ninth. The Sox made sure of the second with 15 hits as Bob Keegan scattered 11 A's hits to win Wynn Tosses Three Hitter

Early Wynn tossed a three-hitter for the Indians in their opener to tie for top winning honors in the majors with his 11th victory as Rocky Colavito smashed a three-run homer. But Charley Maxwell singled home two runs in the ninth inning to give Detroit the second game.

Baltimore rallied for a run in the last of the ninth to tie Washington, 2-2, and the won in the 11th when Jim Briedeweser singled home a run with two out off reliever Truman Cleveland.

The Cubs rallied for two runs in the last of the ninth to beat the Cards in their opener, a game finished by the Cards under protest over a "safe" call at first base on a Chicago runner who later scored. Sam Jones' six-hitter gave the Cards the nightcap despite two homers by Dale Long.

Bob Friend's seven-hitter gave the Pirates their opener against Brooklyn, but Don Newcombe scattered nine hits to take the nightcap although he needed ninth-inning relief after two-hit shutout ball for eight frames.

Harvey Haddix beat the Giants for the Phils in their opener on an eight-hitter as Rip Repulski's homer supplied the winning run, and lefty Curt Simmons took the nightcap although he needed ninth-inning relief after two-hit shutout ball for eight frames.

Walker's, Jackson's Win Games in Kiwanis League

Walker's Cleaners trounced Social Brethren, 28-2, and Jackson's Drugs blanked First Baptist, 5-0, in Kiwanis league games played Wednesday.

Riegel pitched a one-hitter, struck out nine, and walked only two as Walker's Cleaners beat Social Brethren, 28-2. Crabb led the winners at bat with three hits. Riegel, Businaro and McSparrin had two hits each, and Moore, Maynard, Feazel and Devar hit safely once. R. Simpson had the lone Social Brethren base hit.

Pickford relieved Maszaros in the second inning and gave up only two hits the rest of the game to lead Jackson's Drugs to a 5-0 win over First Baptist. Hicks and Pickford had two hits and Shelton, Wallace, Ragen and Jahn singled once. Roberson had two hits and Karnes and Craver hit safely once for the losers. Henshaw was the losing pitcher.

There were no games scheduled for July 4.

Lexington, Ky., To Play VFW Here Saturday Night

The strong Lexington, Ky., semi-pro baseball team will be in Harrisburg Saturday night for a baseball game with the Harrisburg VFW team.

Lexington has seven ex-professionals in the lineup along with a college player. Best known of the Lexington team, as far as local fans are concerned, is Freddie Williams from Carrier Mills now living in Lexington. Freddie formerly played with the local team and was an outstanding hitter. He was signed by the Detroit Tigers after having several offers from different major league clubs.

Freddie had one very good year in professional ball but had contract trouble this spring and decided to play semi-pro ball and work in Lexington. He is betting the ball at a 424 clip.

If the pitching holds up the VFW should have a very good team opposing the visitors. Dick Romonosky will do the catching. Bill McNew or Ramon Tonazzi will start on the mound. Bob Dallas will be on 1st. Don Stout will be on 2nd. Carl Griffiths on shortstop. Dick Odle will be on third. Don Wallace will be in left field. Rod Smith will be in center and Jim Hay will probably be in right. Ray Sisky, Paul Emery, Aggie Miller and Jack Yates may also see action.

Local fans are urged to come out and see this game. Game time is 7:30.

Thompson, Hancock Horses First, Second In Walking Horse Class

Saline county riders brought home first and second places in the amateur class for Tennessee Walking Horses at a big horse show held at St. Charles, Mo., last week.

Dr. N. A. Thompson of Eldorado, riding Midnight Merry Bird won first place and Mrs. L. M. Hancock, riding Sun's Trixie Girl, took second in the event, which attracted twelve outstanding entries. There were ribbons for the first five winners.

The show, staged by the Horse Show Exhibitors of St. Louis, was a benefit affair for Boys Town of Missouri.

There were many entries in the

Hoad Sweeps Second Title

WIMBLEDON, England (AP) — Lew Hoad, Australia's blond bomber, became the first man in 19 years to sweep two straight Wimbledon tennis championships today when he routed Australian champion Ashley Cooper, 6-2, 6-1, 6-2.

Hoad, 3 to 1 to win the final, attacked furiously right from the start and set the tempo for the match by cracking Cooper's service in the first game of the match to the cheers of a gallery of 15,000, including the Duke of Edinburgh.

Hoad was the first since Don Budge in 1937-38 to bag two in a row in the historic center court. The top-sided triumph carried an additional bonus for the 24-year-old Aussie who thus retained his standing as the world's top amateur and kept his "asking" price at \$100,000 to turn professional in the fall.

In women's singles, Althea Gibson of New York and Darlene Hard of Montebello, Calif., won their semifinal matches Thursday to assure the United States its 13th consecutive Wimbledon champion in this division.

Miss Gibson, striving to become the tournament's first Negro singles titleholder, walloped 6-foot Christine Truman of Britain, 6-1, 6-1, while Miss Hard continued her surprising play by downing Dorothy Head Knodel of Forest Hills, N. Y., 6-2, 6-3.

The two Yank lassies will meet in the final Saturday.

VFW Beats Mt. Vernon, is Blanked By Murphysboro

Behind the seven-hit pitching of Don Stout the Harrisburg VFW baseball team defeated the Mt. Vernon Ind., team, 10-3, on the losers field Wednesday night and then Murphysboro got even with the VFW for an earlier 14-3 shellacking and shut the locals out 10-0 on Riverside park diamond at Murphysboro.

The game at Mt. Vernon was a very good contest until the 7th inning. Harrisburg was leading 4-3 going into the 7th and then the locals jumped on the Mt. Vernon pitcher and knocked him out. This inning featured some good base-running by Flash Griffiths and Don Proctor. Proctor climaxed the inning by stealing home. Ron Vick, substitute for Romonosky, did a good job of handling Don Stout.

Stout allowed only 3 solid base hits, the other 4 hits being of the infield variety. He set 14 batters down via the strikeout route. Carl Griffiths and Bob Dallas led the stick men with 3 hits each and Don Proctor got 2.

Murphysboro got 11 hits and with the aid of the worst played game the locals have played all year shut out the VFW 10-0. The pitching of Miller, Wallace and Hefer was of good enough variety to win most games but the backing and hitting was terrible. Wallace, Vick and Miller got the only hits off 'eins.

Saturday night the locals play Lexington, Ky., and on Sunday will entertain the Cisne Oilers in an Oil belt league game.

Three of every four automobiles on the earth are in the United States.

various classes and top trainers from many states were in attendance.

Woodside Breaks Probation, Gets 4-Month Sentence

Habitual breaking of probation has resulted in the sentencing of a Harrisburg man to the Illinois State Farm at Joliet for four months by Gallatin County Judge Joe Hale.

The defendant, Joseph Woodside,

38, appeared before Judge Hale Tuesday morning on a petition for revocation of his probation due to admitting being drunk and entering a home in Pope County on June 29.

Woodside had been placed on

probation on January 21 after being fined \$25 and assessed court costs in the amount of \$36.40 on a bad check charge.

On April 29 he was haled into court by his probation officer, Saline County Sheriff Wm. Barrett

after being arrested on two occasions by Harrisburg police for intoxication. At that time Judge Hale told Woodside that he was giving him a last chance to change his ways, and changed the probation terms requiring him to report to his probation officer each Monday, instead of on each first Monday of the month.

The original complaint charged him with issuing a bad check to the Logsdon Package Store in Old Shawneetown on November 26, 1955. He has been prompt in making payments on the fine and court costs. The costs of Tuesday's court session totaling \$25.60 have been added to the unpaid balance.
